## **English in a changing world (Book, 1999) [WorldCat.org]**

David Graddol, who died in March aged 66, was a one-man think tank who changed the way the world sees the English language and the way the English Language industry sees the world.

## **David Graddol: the man who saw the future of English | E L ...**

it ever was, that English unifies all who speak it. These competing trends will give rise to a less predictable context within which the English language will be learned and used. There is, therefore, no way of precisely predicting the future of English since its spread and continued vitality is driven by such contradictory forces.
